

WEYERMANN® Nr. 3 Bohemian Pilsner

Beer description

Through the exclusive use of Saazer hops this bright golden Pilsner achieves a light fruity and floral aroma. It's reminiscent of citrus fruits, lilac and geraniums, as well as a distinctive bitterness on the palate. Along side its refreshing carbonation this beer is presented with a fine malty body utilising the finest Weyermann® Floor-Malted Bohemian Pilsner Malt. The beer's dry bitterness in the aftertaste leaves you wanting your next glass. This beer goes perfectly with Bohemian garlic soup, grilled kielbasa with sauerkraut as well as braised goulash with napkin dumplings.

Beer style

Bohemian-style Pilsner is bottom-fermented, clear and straw-like to light amber in color, with dense, white head. It has a clear malt character with subtle bread notes that leaves a slightly sweet impression. The initial taste is malty, the finish hoppy.
